

Bliss

MEDIUM

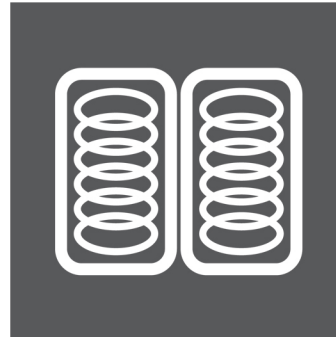

The **BLISS MEDIUM** mattress is designed exclusively for New Zealander's comfort and support requirements.

This **BLISS MEDIUM** model features integral foam comfort layers offering pressure relief, while retaining a comfortable 'Medium feel'.

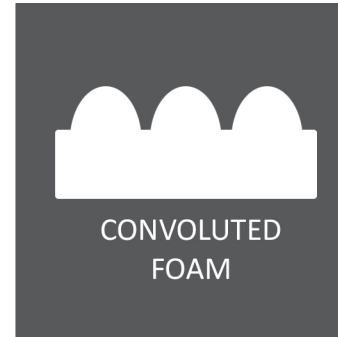

Individual 20cm long pocket springs and convoluted foam offer ample support while also featuring a pillow top to cradle the hip and shoulder regions resulting in a luxurious sleep.

Despite being a fully supportive and comfortable pocket spring mattress, the Bliss is vacuum packaged into a easily portable box!
